ABOUT ME

I am a motivated professional individual dedicated to continuous development and improvement. I am eager to learn new things and improve my knowledge and expertise. With a combination of flexibility and reliability, you can trust me to accomplish every goal with a positive and enthusiastic approach. I ensure that all tasks are completed to a professional standard within the given timeframe, making the process both effective and enjoyable.

EXPERIENCE

Software Developer Intern

HootOriginals   Aug 2023 - Dec 2023

- I interned (30 hours a week) at Hoot Originals, where I was mentored by a successful web applications developer and built a web application using various web frameworks.
- Gained valuable experience with web development using Go based frameworks like Pocketbase.
- Developed both client-side and server-side components of web applications.
- Worked with diverse technologies and frameworks to create scalable and responsive web solutions.
- Worked with a range of technologies to create end-to-end solutions.
